Now more than ever, it is critical for REALTORS® across America to come together and speak with one voice about the stability a sound and dynamic real estate market brings to this country of ours. From city hall to the State House to the US Capitol, our elected officials are making decisions that have a huge impact on the bottom line of REALTORS® and their customers.

Join REALTORS® from across Massachusetts for this opportunity to meet with your state Senators and Representatives and promote the REALTOR® position on public policy issues affecting the real estate industry such as:

- Transfer Taxes
- Real Estate Licensure & CE Requirements
- SCOPE Initiatives
- Protection of Abandoned Properties
